

Whatcom County Jail Phone Contract
With Legacy
March 2014

To receive rebate of remaining amount on an account, one must call between the hours of 8am-5pm Monday through Friday to set up rebate.

Call in on the phone number with the account (the phone on which you set up the account) and the customer service representative will go through the process to set up the refund process. It will take time to receive rebate, the customer service provider didn't specifically say the length of time.

However, upon setting up refund process that information will be given.
